After you have parked:

- Go in the front entrance (glass enclosed), which will be down two or three flights of stairs from the parking lot, depending on where you parked
- Once in the building (with the entrance on the second floor), you can either climb one flight of stairs (directly in front of the entrance), or take the elevator to the third floor (past the stairs on your left)
- Once on the third floor, walk down the long hallway (walking away from the glass front entrance) and follow the signs for Progressive Diagnostics, #30. (There is one small zig zag.)
- Turn left and our offices are at the end of the hallway
